

## ferris® Cowdery Profiles™

### Description

Ferris® Cowdery Profiles™ were designed to make the task of designing and manufacturing fine jewelry better, faster, and easier. Produced exclusively by Freeman, these precision-formed waxes can be used individually or in combination to easily create the most difficult prong settings, clasps, hinges, or other shapes. Ferris Cowdery Profiles are available in Blue and Purple.

### Physical Properties

	Blue	Purple
Hardness (Shore D)	52	55
Flexibility	Excellent	Good
